

RE at Fishponds...

Asking big questions...

If someone believes God made the world, what might they say to the creator? What might they think?

I wonder why with that god made stones.
you love the sky! schools places in
cats dogs

we I wonder the trees grow.
made why? he has to be
the world in hevin because we want
to see god. I wonder why
why people be so rude.

I like that god made the world.
I like that god made the trees.

EYFS learning about Harvest and The Creation Story

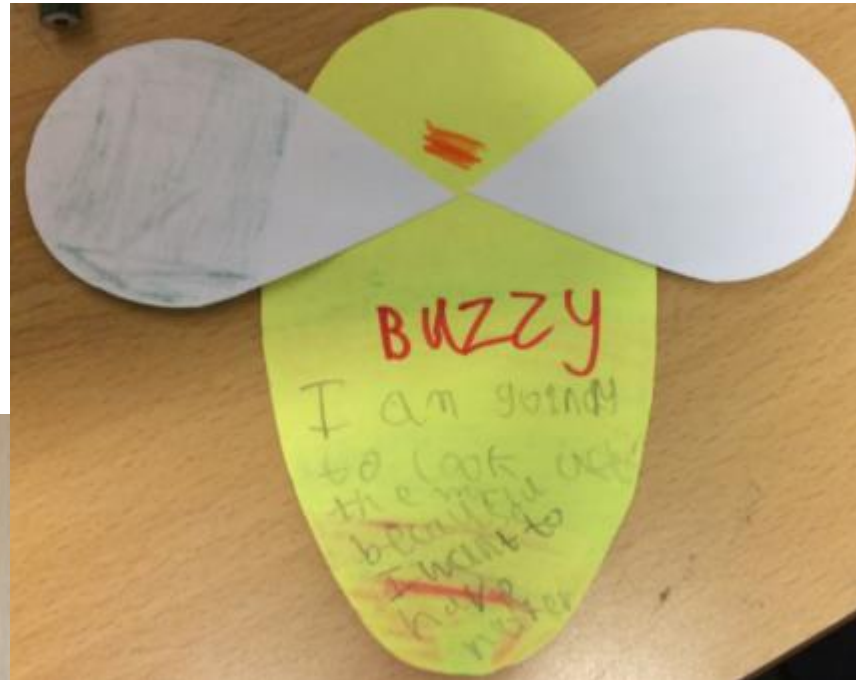

Whole school Harvest trail 'Experience Harvest'

Harvest
through 5
stations

Harvest trail 'Experience Harvest'

WALT: give examples of how Christians should say thank you to God

During our fruit time we thought really hard about what helped our fruit to grow, who helped our fruit to grow and how good it tastes.

apple

orange

carrot

pear

what

who

taste

We learnt about what grace is and how Christians might say it before mealtimes.

Can you write a grace for Christians to say at meal times?

Thank you ~~that~~ ^{that} we can have
are fruit and veg together.
I had Thank you for farmer's
what grow... apple's, carrot's, orange
-s, pear, bananas, cucumbers and
tomatoes. ✓

Well done for thinking of others. Really good discussions about grace.

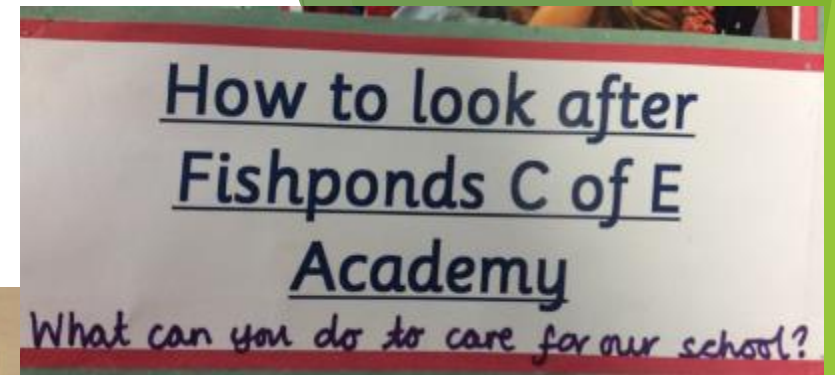

RE ideas for caring for our planet across the school...

Eco warriors who check classrooms/outdoor areas daily.

Welcome to our Harvest Festival

Environment Award

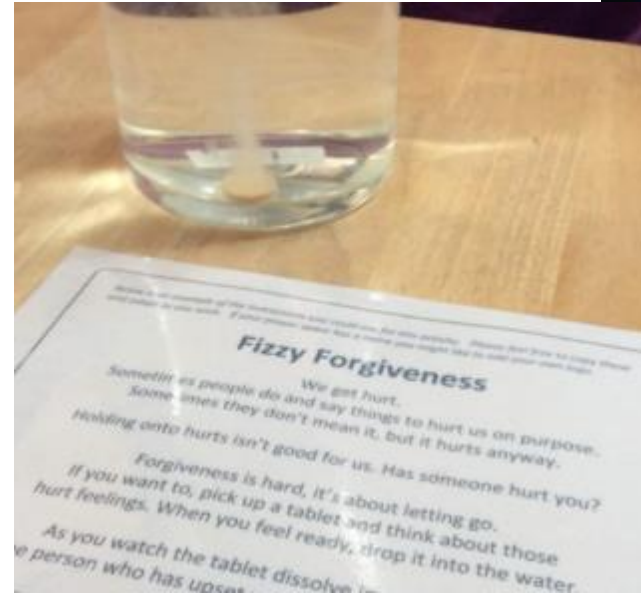

Congratulations to Parrotfish

for helping the planet!

Well Done!

Prayer or reflection spaces in schools...

Fizzy Forgiveness

Small text at the top: Below is an example of the instructions you could use for this activity. Please feel free to copy these and adapt as you wish. If your prayer space has a name you might wish to add your own logo.

Sometimes people do and say things to hurt us on purpose. Some times they don't mean it, but it hurts anyway. Saying sorry isn't good for us. Has someone hurt you? Forgiveness is hard, it's about letting go. If you want to, pick up a tablet and think about those hurt feelings. When you feel ready, drop it into the water. As you watch the tablet dissolve...

Calm Jar

Sit down.
Put on the headphones and switch on the MP3 player.

Try to ignore everything else in the room.
Listen to the instructions and follow them if you want to.
