Breakfast Club: 7.45am - 8.45am  
After School Club: 3.15pm - 6.00pm  
Fishponds Old Library

## ABOUT

Fishponds CE Primary Breakfast and After School Clubs are packed with fantastic activities to keep children engaged and having fun while learning. From specialist sports coaching for budding athletes to arts and crafts sessions where they can let their creativity shine, there's something for everyone to enjoy.

On top of that, we've got a dedicated homework help session with friendly staff who are ready to support children in catching up or staying on top of their school work, creating opportunity for additional, invaluable family time.

What's even better? Children who already participate in Premier Sports Clubs can easily transition into After School Club! It's a great way to extend their day with more fun and enriching activities in a safe, supportive environment.

All food served at our After School Provision meets the silver standard for the Bristol Eating Better Award. The Award supports and rewards, schools that offer healthier food options and promote food and environmental sustainability such as including more plant-based ingredients and minimising food waste.

All staff will be qualified to support children with both play and educational activities, they will also hold a current first aid qualification and food hygiene certification.

The club runs Monday to Friday, 3.15 – 6.00pm, making it a convenient option for busy families.
